64
AUTHORS
have read
434
BOOKS
since 1997

44,690
(1997-2017)

of children participated

"Because we now do things together and it helps us bond."

"I have noticed that my daughter invents songs with the rhythm of other melodies."

"It has helped the children in their brain development and motor skills."

100%
of participants
say that they
would recommend
Music Together

100%
of participants
say it has changed
the way they make
music with their **child**

FAMILIES READING TOGETHER

CHANGED ATTITUDE
ABOUT READING

100%

of participants reported
that the program had
changed the way they read
and discuss books with
their children

"Now we are asking
questions about what
we read. It has had a
PROFOUND IMPACT
on my outlook about
reading with my child."

Increase in
reading
frequency
as a family
